CONTROL/US OFFICIALS ONLY

Two westbound troop trains were again observed moving through Katowice on 7 Cotober. The first train consisted of 2h boxcars with undetermined cargo and 18 four-acle flatears, each carrying one tank.

¥	Comment. the former court building
	still housed a Soviet headquarters at the end of October 1950. 50X1-HUM
	The present report gains credence in view of
	that the Soviet tember with the
	Lest the post in the spring of 1951, and that the bermarks installations is
	opposite were occupied by Folian matter in July and Archat and
	The troops who, according to the present report, arrived in Schweidnitz on 50X1-HUM
	to move the Schweidnitz upon completion of the summer training period. The
	buildings mentioned in the present report are roughly actioned to be
_	billeting capacity of not more than one regiment.
